

K-LOK SINGLE POLE 150A CONNECTOR ACCESSORIES
FEMALE PROTECTIVE CAPS

elecDirect.com

Available in both inline male and female variants, K-lok protective cap is designed to seamlessly complement your cam-type connectors, ensuring a secure fit to meet NEMA 3R rating and safeguarding against dust, debris, and environmental elements. Crafted from high-quality Santoprene, the same durable material utilized in 150A connectors, this product guarantees exceptional reliability and longevity. Each cap comes equipped with a convenient lanyard for effortless attachment. Offered in a variety of colors to match the aesthetics of inline connector.
