

Bronze Ground Rod Clamps

Types CAB and CEB

- Manufactured from corrosion resistant cast aluminum bronze
- Designed to join a range of cable to copper clad, galvanized steel and stainless steel ground rods
- Slips over end of rod for single wrench installation
- Furnished with silicon bronze hex head bolt
- UL listed for direct burial in earth and concrete
- Socket head screws can be furnished by suffixing catalog number with "-S"
- For tin plating, suffix catalog number with -TN
